

General Directions for Use

Shake well before opening. Separation may occur during storage and shipments. Apply this product only when diluted with water for the desired applications and directions that follow. DO NOT STORE or SAVE mixed solutions. Use all that you mix within 24 hours.

Vegetables, small fruit, berries, etc.

Soil – Apply at 2% solution with transplants at planting. Apply 1 to 3 gallons per acre monthly during growth cycles through drip, flood, furrow, etc. irrigation.

Foliar – Apply at 2 to 4 quarts per acre with a sufficient amount of water for complete coverage every 7 to 10 days during the growing cycle.

Citrus, apples, peaches, etc.

Young trees

Soil – Apply 1 to 3 gallons per acre every 2 to 4 weeks during the growth cycle.

Foliar – Apply 1 to 2 gallons every 4 to 6 weeks for best results during the growth cycle.

Mature trees

Soil – Apply 3 to 5 gallons per acre every 2 to 4 weeks during the growth cycle.

Foliar – Apply 3 to 5 gallons per acre during normal spray cycles (pre-bloom, – summer – fall). Apply with sufficient water to ensure complete coverage.

Field Crops–Corn, cotton, wheat, soybeans, etc.

Soil – Apply 2 to 3 gallons at planting as a starter in conjunction with a sound fertility program.

Foliar – Apply at a 1 to 2% spray solution when plants are at the 4 to 8 inch stage and again at 30 to 40 days after planting.

OmegaGrow™ 5-1-1

Liquid Fish Plant Nutrient

All Natural and Organic

Guaranteed Analysis

Total Nitrogen (N)	5.0%
0.50% Ammoniacal Nitrogen	
3.5% Water soluble Nitrogen	
1.0% Water Insoluble Nitrogen	
Available Phosphate (P ₂ O ₅)	1.0%
Soluble Potash (K ₂ O)	1.0%
Derived from: Fish Emulsion	
Stabilized with sulfuric acid

Weight per gallon: 9.5 pounds F1208

Compatibility

OmegaGrow 5-1-1 is compatible with most fertilizers, herbicides, fungicides, etc. A jar compatibility test is always recommended to ensure proper mix. OmegaGrow 5-1-1 in its concentrated form has a pH of 3.8 and can lower pH of tank mixes.

Precautions

Avoid getting in eyes, mucous membranes or on skin. Use of side-shielded safety glasses and rubber gloves is recommended. Use with adequate ventilation. Keep container capped when not in use. Do not contaminate feed, seed or water supplies.

Container Disposal

Triple rinse containers and offer for recycling or dispose of in accordance with federal, state and local authorities.

Special Handling

Maintain product at 55° F (10° C), or above to ensure flowability.

Caution

May be harmful if swallowed. Avoid contact with eyes, skin, open cuts or sores. Keep out of reach of children. Wash hands after use. DO NOT STORE or SAVE mixed solutions. Use all that you mix the same day.

Notice: Buyer assumes all responsibilities for safety and uses not in accordance with the above directions.
