

DYNA GOLD™

PRODUCT INFORMATION

Dyna Gold Manganese is a liquid foliar formulation designed to correct and prevent manganese deficiencies in crops. A jar test to check the compatibilities of new or unfamiliar combinations should be performed prior to mixing and application. The addition of a non-ionic surfactant will aid surface coverage which will help leaf absorption.

CROP RECOMMENDATIONS

Citrus and Fruit Crops: Use 2 to 3 quarts per acre per application in enough water to allow for thorough coverage but not to run off.

Vegetables Crops: Beans, cabbage, cantaloupe, celery, cucumber, eggplant, endive, lettuce, greens, peas, melons, pepper, potatoes, squash, strawberries, sweet corn and tomatoes, use 1 to 2 quarts per acre in enough water to allow for thorough coverage but not run off. Repeat every 2 days as necessary up to first harvest.

GUARANTEED ANALYSIS

Manganese (Mn) 5.00%

5.00% Chelated Manganese (Mn)

Derived from: Manganese glucoheptonate

DIRECTIONS FOR USE

Dyna Gold Manganese should be applied as needed starting with the first spray at 1 to 2 quarts per application in enough water to allow for thorough coverage but not run off. **Aerial Application:** 1 quart per acre in 5 to 15 gallons of water.

4206 Business Lane • Plant City, FL 33566 F910

(813) 752-4950 • Store above 32°F

Weight per gallon: 10.6 lbs

WARNING

May cause damage to central nervous system through prolonged or repeat exposure

Prevention: Do not breathe vapors, mists or sprays. Wash thoroughly after handling.

Use only outdoors or in a well-ventilated area.

Response: Get medical attention/advice if you feel unwell.

If swallowed: Rinse mouth. Do NOT induce vomiting. Drink 2 glasses of water. Contact doctor or poison center.

If on skin (or hair): Rinse skin with water/shower. Wash contaminated clothing separate from other laundry before reuse.

If inhaled: Remove person to fresh air and keep comfortable for breathing.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do.

Storage: Store above 32°F. Keep container tightly closed.

Disposal: Dispose of contents/containers in accordance with local/regional/national regulations (See Section 13 of SDS). Containers may be triple rinsed and offered for recycling.

Keep away from children. Do not drink. Do not contaminate feed, seed or water supplies. Avoid spraying on concrete surfaces as staining may occur.
