

DYNA GREEN™

CALCIUM

Liquid Spray

Information

Dyna Green Calcium is a concentrated formulation for both foliar and use in fluid fertilizers. **Cautions:** Do not use in a tank mix with high phosphate products such as 10-34-0. For foliar application, Dyna Green Calcium should be added to the spray tank first and will aid in lowering the water pH. Check the compatibilities of untried chemical mixes. The addition of a non-ionic surfactant will aid in uptake.

Directions For Use

Foliar Spray: Dyna Green Calcium will disperse in water with minimal agitation, and may be applied with most pesticides. Apply 1-3 quarts per acre in enough water to cover through conventional sprayers, and with low volume equipment use 1 quart per acre in at least 5 gallons of water per acre and a non-ionic surfactant such as Active 80.

Broadcast Ground Application:

Severe Deficiency – 4 quarts per acre:
Moderate Deficiency – 2 quarts per acre
Maintenance – 1 quart per acre.

Row Application: Use at rates of 2 quarts per acre as a supplement to broadcast application.

Guaranteed Analysis

Calcium (Ca)	6.00%
Derived from: Calcium Lignin Sulfonate	
Chlorine not more than	11.00%

Crop Recommendations

Dyna Green Calcium is recommended to prevent and correct Calcium deficiencies in the following crops: alfalfa, almonds, avocados, apples, barley, beans, broccoli, cabbage, cauliflower, carrots, celery, citrus, corn, cotton, cucumbers, eggplant, grapes, lettuce, milo, melons, nectarines, rice, pears, peaches, pecans, peppers, plums, potatoes, peanuts, strawberries, tomatoes, turf, turnips, watermelons and wheat.

Weight per gallon: 9.6 lbs. • Store above 45°F

WARNING

Causes serious eye irritation

Prevention: Wash thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear chemical splash proof goggles and chemical resistant gloves.

Response: Get medical attention/advice if you feel unwell.

If swallowed: Rinse mouth, Do NOT induce vomiting. Drink 2 glasses of water.

If on skin (or hair): Rinse skin with water/shower. Wash contaminated clothing separate from other laundry before reuse. If skin irritation occurs: Get medical attention.

If inhaled: Remove person to fresh air and keep comfortable for breathing.

If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do.

Storage: Keep container tightly closed when not in use. Store above 45°F

Disposal: Dispose of contents/containers in accordance with local/regional/national regulations (See Section 13 of SDS). Containers may be triple rinsed and offered for recycling.

Keep away from children. Do not drink. Do not contaminate feed, seed or water supplies.

Conditions Of Sale

Seller warrants that products will be labeled as required under state and federal laws and that they conform to the label description. Any non-conformance must be reported in writing to Seller within Thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery. THE SELLER'S LIABILITY UNDER THIS WARRANTY IS LIMITED IN AMOUNT TO THE PURCHASE PRICE OF THE PRODUCT. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THIS STATEMENT.
